2019 Points Races

Club Race

There are two sprint races at this event, Sprint Race 1 on Saturday, and on Sunday Sprint Race 2. Saturday will also host a 70 minute Enduro.

New for 2019: The PCA Club Race rules have changed to allow three points races per event, up from two in previous years. This means that both Sprint Races and the Enduro will be points races.

These races qualify for both the PCA National and West Coast series.

The POC Cup Race points races for this event will be the Saturday's Sprint Race #1 Sunday's Sprint Race #2. The sprint races will be designated Red 5 & 6 and Orange 7 & 8.

Fastest time from Friday's qualifying session grids for the Practice starts and Sprint Race 1.

Sprint Race 1 will be used to grid the Enduro and Sprint Race 2

Time Trial

For PCA, this is part of the San Diego Region and Zone 8 series.

For POC, this will count as two events, Time Attack 5 & 6.
